Evelyn H. called the April meeting of the ECBH – Albemarle CFAC to order.

Mike suggested that we compile a list of the gaps in services we had discussed during the previous quarter. We decided that we should bring them to the attention of the Board more often than that.

The minutes of the March minutes were approved.

The Bylaws were discussed with only a few changes to meet the needs of both the Albemarle and the ECBH groups. The Relational Agreement was discussed with a few changes to meet the needs of both groups.

Sandra B. pointed out that some families are not being notified that services are being terminated.

A discussion pointed out that ECBH services telephone numbers are not listed in some of the current phone books. Sandra suggested that Inez bring possible solutions to the next meeting.

The Craven LEG reported that Jeannie Smith Arc President gave a program on the wide range of activities the group sponsors. The Beaufort LEG said that Greg Singleton director of Exceptional Children Program spoke, as well as Maria Girona, autism teacher in Chocowinity, & Amy Craft, IDSE teacher.

Sandra made a motion to eliminate funds expended for vans and funds put into our 2010 financial plan. Seconded by Inez and carried.

Mike reported on the Albemarle Needs Assessments. He suggested we read the first 18 pages plus information on specific county concerns. He asked us about the possibility of e-mailing the newsletter.

The next meeting will be at this meeting place May 10, 4:00pm.

The meeting was adjourned
