<http://www.ncdhhs.gov/mhddsas/servicedefinitions/servdefupdates/index.htm>

PROVIDERLINK

When sending faxes through Providerlink, please make sure you are only sending 1 consumer record in each fax. We are getting many faxes with multiple consumers in them, even though there is a fax separation page between the consumers. Please, only 1 consumer document per fax!

Also, please make sure the spelling of the consumers' names and their dates of birth are accurate, and included on every page of the document. This will help us to get the documents into the correct consumer record.

If you have any Providerlink questions, please contact Debbie Lambert at 252-332-7437.

IVC TRAINING

The Craven County Sheriff's Department will be hosting a training on issues related to involuntary commitments.

Wednesday, July 21, 2010 from 1:00 P.M. to 4:00 P.M.

Craven County Justice Center located at, 1100 Clarks Road, New Bern, N.C.
The training will be conducted in the Craven County Sheriff's Office Training Facility.

The North Carolina Attorney General's Office will be doing the training. This training would be especially helpful for law enforcement and hospital staff as questions continue to arise around law enforcement staying with clients in the ER and legal jurisdiction. The training is also available to community mental health providers including but certainly not limited to Mobile Crisis, NC START, Facility Based Crisis and Critical Access Behavioral Health Agencies (CABHA's). If you would like to attend this training please e-mail Benita Hathaway at bhathaway@ecbhlme.org so that she can coordinate with the Sheriff's Department; we would like to track the number of people planning to attend in

case a bigger meeting space is needed. Please share this email with others that might benefit from this training.

1ST LEVEL EDITS FOR CLAIMS PROCESSING-- EFFECTIVE 7-1-10

Effective 7/1/10 ECBH will implement new edits in claims processing at the 1st level of adjudication. These new edits will now deny claims which do not contain all required information for a clean claim at the 1st level of adjudication.

These claims were previously being approved at our 1st level of adjudication but denying on the state

level. ECBH claims processing staff were notifying the provider of these denials to obtain the needed information to correct

the claim. ECBH staff would then refile the claim after the corrections were made. These new edits will

responsibility

on the provider to submit a clean claim , which results in a more efficient turn around time for payment.

The additional edits that have been added are as follows:

INS - Invalid client ID

TDX - target pop/diagnosis mismatch (diagnosis does not fit target pop)

TPD - target pop does not cover date of service billed

TSV - service does not fit in target pop

TPM - client does not have a target pop at all

It will be the **PROVIDERS RESPONSIBILITY** to check provider folders (**weekly**) to insure all the claims have been approved at the 1st level of adjudication. If you have denials, again, it is the **PROVIDERS RESPONSIBILITY** to correct and re-enter the claims.

REMEMBER, you have a 74 day window (time frame) to get a clean claim entered. (A clean claim is a claim that is approved at the 1st level of adjudication - one that states 1st level adjudication approved). Submitted claims approved at the 1st level of adjudication will be sent to the state for payment by ECBH. See updated claims entry manual for complete instructions.

The claims department will be glad to assist you with any questions. You may call 252-332-4137, choose option 4.

Thank You,
ECBH Claims
Department
