Second Mile Program: Journey of Community Reconnection and Recovery

East Carolina Behavioral Health LME program that supports adults to transition successfully back to the community after a psychiatric hospitalization in a state operated facility.

Featured in the National Council Magazine 2009, ISSUE 2

Recovery Education for:

- * . . . private providers
- * . . . agencies
- * . . . community partners
- * . . . conferences

Disaster Incident Response Team

We support private providers to empower the people they serve to be ready for any life crisis, including disaster.

Consulting

We provide consulting in many areas of mental health recovery, wellness education and wellness planning for in-patient settings.

Recovery Education Classes:

- * Recovery Principles for Mental Health Reform
- * An Overview of WRAP for Mental Health Professionals
- * A Working WRAP for Mental Health Employees
- * Peer Support Specialist Training for Agency Peer Employees

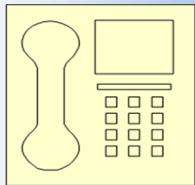

ECBH has developed a state approved Peer Support Specialist curriculum titled "Take Your Heart to Work."

- * Recovery Oriented Crisis Plan Training for Providers
- * . . . and others
